1. About me

Who you are and why this matters to you: your family, work, farm or business, and how it touches your daily life. Two or three sentences is plenty.

2. What I am asking for

I oppose this application. I ask the Coordinator-General to (tick the ones you agree with):

- ☐ **A.** Refuse the application, because it is not consistent with the Bromelton SDA Development Scheme (Schedule 2, clause 2.5(5)(b), relying on s 2.1.1(4)).
- ☐ **B.** If the application is not refused, declare BERC a coordinated project that requires a full Environmental Impact Statement (EIS) (State Development and Public Works Organisation Act 1971, ss 26 and 27AA(2)).
- ☐ **C.** If no EIS is required, hold the assessment to an EIS-equivalent standard, and include at least 30 business days of public consultation after publication of the full EIS application.
- ☐ **Other:** _____

3. My concerns

One concern per row. Say what worries you, how it affects you, and the facts you are relying on and where they come from (the report and page). Pick from the eight issues in the Cheat Sheet or use your own. Add more rows or pages if you need them.

The issue	What concerns me and why (include the facts and where they come from)	What I ask the Coordinator-General to do

4. Declaration and signature

I confirm the information about me in this submission is true and correct.
